## Evidencias Nearpod (Arboles)

A screenshot of a web browser showing the educaplay website. The main content is a green banner with the text "¡HAS GANADO!" and "¡ENHORABUENA!" above a 10x10 grid of letters. A yellow trophy icon is positioned in the center of the grid. Below the grid, the word "PUNTOS" is displayed in large white letters, followed by "100.000". At the bottom of the banner is a large green button with the text "Reintentar". Above the banner, the educaplay logo is visible, along with navigation links for "Tipos de juegos", "Planes", "Soporte", and "Buscar juegos". To the right of the banner is a user profile sidebar for "Fernando Miguel" (ffernando), showing the email 1224100597.fmoj@gmail.com. The sidebar includes options for "Passwords and autofill", "Manage your Google Account", "Customize profile", "Sync is on", "Other Chrome profiles" (with an entry for "Fernando (Work)"), and "Manage Chrome profiles".
